Point accrual conditional on:

- Flights to Europe and return to Tel Aviv operated by EL AL
- Flights to continuation destinations operated by American Airlines with the EL AL LY code.

Points accrued are Basic Points that may be utilized for receiving or renewing tier status and for checking eligibility for reduced price upgrades 48 hours before the flight and at the airport.

The reservation classes that earn points for continuation flights are those that are specified in the table.

Subject to conditions of the agreement, Matmid Frequent Flyer Club regulations and rules as published on the EL AL website.

Errors and omissions excepted.
