

June 26, 2013

Dear Customer,

We are Happy to present our new Temperature control service at our Cargo Terminal in London Heathrow Airport (LHR).

The temperature range in this new facility is +2c to +25c.

We trust that this new facility will improve our services, mainly for Pharmaceuticals and agriculture shipments.

We remain at your service, always.

Respectfully yours,

Keren Lavi

Marketing & Customer Relations Manager
