Israel Customs New Import Regulations fees

Dear Customer,

Following our previous announcements dated 13 Nov 2013, please note that we shall amend our charges on the subject effective 1st of March 2015 accordingly:

Electronic transmission of AWB or HAWB data (FHL), will be charged at USD 2.50 per AWB and HAWB (or equivalent in local currency), to be inserted on the MAWB in 'Due Carrier' box as 'Other Charges' code: 'CG'

Manual input of AWB or HAWB by EL AL, will be charged at USD 10.00 per AWB and HAWB (or equivalent in local currency), to be inserted on the MAWB in 'Due Carrier' box as 'Other Charges' code: 'CC'

Above fees are in reference to import cargo from any origin in the world into TLV airport.

For any additional information, please feel free to contact the undersigned.  
Thank you for your understanding and cooperation.

Sincerely,

Gal Amit
